FRA DIAVOLO, Monday and Tuesday. Strawberry Short-Cake. One quart flour, one teaspoon salt, two teaspoons Dooley's yeast powder, three table spoons butter, one egg, two tablespoons white sugar, and about half pint sweet milk. Sift the flour, powder and salt together: rub in the butter cold, add the egg slightly beaten, then the sugar and milk, and mix into a smooth dough, just soft enough to b easily handled; roll out in two pieces quite thin, to size required; lay one on top of the other, and bake in a hot oven in a well-greased pan, about fifteen minutes, and separate while yet warm—not hot. Use one for the bottom crust, cover over with a layer of berries, then lay on the other piece, and cover

as before. Serve with powdered sugar and cream. The above will make a large cake; half the quantities will make a fair size one To THOSE who till the soil on low lands we especially recommend using Home stomach bitters as an excellent corrective to miasmatic The Musical Event of the Season : FRA DIAVOLO.
